What is our fellowship with each other  
to look like ?

The evidence of the depth and reality of our  
fellowship is seen in our engaging with the  
“One-anothers” !

It is then also seen in our doing God's will together.

....and finally....

We are to be a church family because Gods has added us together.

We come to this church because God has added us to this assembly to play our part in the Body.

We are to be a fellowship that does the “one-anothers” because we live our lives in the light of the Gospel and in the power of the Spirit.

This is a covenant relationship – not a casual fling !
